Dear Sir/Madam:

Response

This response is in reply to the office action mailed on January 9, 2007. Most of the claims have been either amended or cancelled; and new claims have been added comprising the features deleted. No new features are being claimed. Some of the claim amendments conform to the examiner's suggestions and others comply with the examiner's initial suggestions. It should be noted that no prior art was cited in the last office action which means these claims were not amended in view of prior art.

It is believed this amendment places the claims in condition for allowance and such allowance is earnestly solicited.

Respectfully submitted
